

APPENDIX A

FAST School of Computing
National University of Computer and Emerging Sciences, Islamabad

MS Thesis 1 Registration Form

Part A - To be filled by the student

Roll No: 20I2020 Name: Ali Shahbaz CGPA: 3.03

E-mail: i202020@nu.edu.pk Mobile #: 03034292913 Semester: 3rd

Thesis Title*: Automated Game Review Analyzer

Potential Areas - Select the most closely related area(s)*	Area of Thesis
Artificial Intelligence/ Machine Learning/ Data Mining/ Deep Learning/ Data Science	Deep Learning
Computer Networks/ IoT/ Distributed Computing /Big Data Computing & Analytics / Cloud Computing/ Parallel Processing /Performance Analysis	
Information Security	
Software Engineering	
Database Management Systems/ Geographical Information Systems	
Computer Vision/Computer Graphics	
Biosystems and Computational Biology	
Other: _____	

I have attached the thesis 1-page proposal abstract with the form.

I hereby declare that I will be in touch with my supervisor during the research phase. Moreover, I will do my sincere efforts in completing all the research milestones set and advised by my supervisor.

Date: 9/13/2021

Signature of Student: Ali

Part B - To be filled by the supervisor

I agree to supervise this student. The proposed idea is suitable for MS Thesis in CS/ SE/ DS/AI/ CNS.

Supervisor Name: Dr . Khubaib Date: 9/13/2021 Signature: _____

Part C – For official use

Signature: _____

Head MSRC

Signature: _____

Head, FAST School of Computing

Registration Date: _____

Academic Officer: _____
